IDAHO

There are 2 NASA federal jobs and 75* contractors in the state of Idaho.

For every NASA federal job located in Idaho, an additional 54.5** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA federal jobs, an additional \$16** million worth of output is sustained throughout the state economy.

* Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

** Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: <https://blog.implan.com/understanding-implan-multipliers>
