NORTH DAKOTA

35
NASA Jobs
Supported

There is 1 NASA Federal job and 23* contractors in the state of North Dakota.

For every NASA federal job located in North Dakota, an additional 34** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA federal jobs, an additional \$12.8** million worth of output is sustained throughout the state economy.

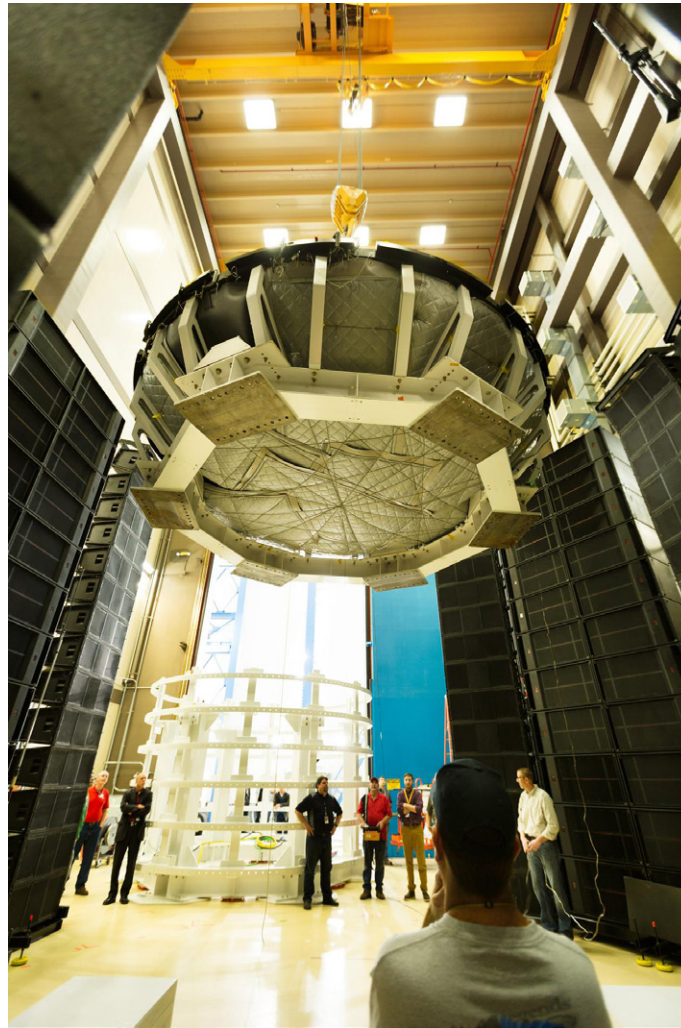

* Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

** Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: <https://blog.implan.com/understanding-implan-multipliers>

NASA Astronauts (Former)

James Buchli

Richard Hieb

Two North Dakota suppliers contributed to NASA's Artemis program. An example of the state's contributions is providing products and services to Orion for manufacturing, assembly, and testing of the spacecraft.
