OREGON

244
NASA Jobs
Supported

There are 7 NASA Federal jobs and 140* contractors in the state of Oregon.

For every NASA federal job located in Oregon, an additional 33.9** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA federal jobs, an additional \$13.5** million worth of output is sustained throughout the state economy.

* Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

** Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: <https://blog.implan.com/understanding-implan-multipliers>

NASA Astronauts

James Dutton

David S. Griggs

Donald Pettit*

Seven Oregon suppliers contributed to NASA's Artemis program. An example of the state's contributions is the supply of different electronic components like fiber channel connectors and switches for Orion.

* Current
