These stipulations vary by the TSF building and the operations or maintenance occurring, as follows:

2. When handling hazardous materials

3. Depending on location

4. When in operation or maintenance

TSF is able to supply visitors with safety glasses, hearing protection and hard hats. Facility manager also reserves the right to require visitors to wear PPE at their discretion.

### Building Emergency Action Plan (BEAP)

Un-escorted visitors are expected to be familiar with the BEAP. Remember to sign the roster acknowledging having read the BEAP for each facility to be worked in.

### Emergency Evacuations

Emergency evacuation routes are posted in TSF facilities at various locations. It is imperative that visitors are familiar with emergency evacuation routes and the assembly areas. Contact the Sponsor, the facility manager, or the Environmental Health and Safety Engineer if the visitor has questions regarding the evacuation routes or the assembly areas.

## How to get from the airport to NASA Ames Research Center

NASA Ames Research Center is about 30 miles south of San Francisco International Airport and about 15 miles north of San Jose Airport. Figure 1 shows the location of Moffett Field relative to local highways.

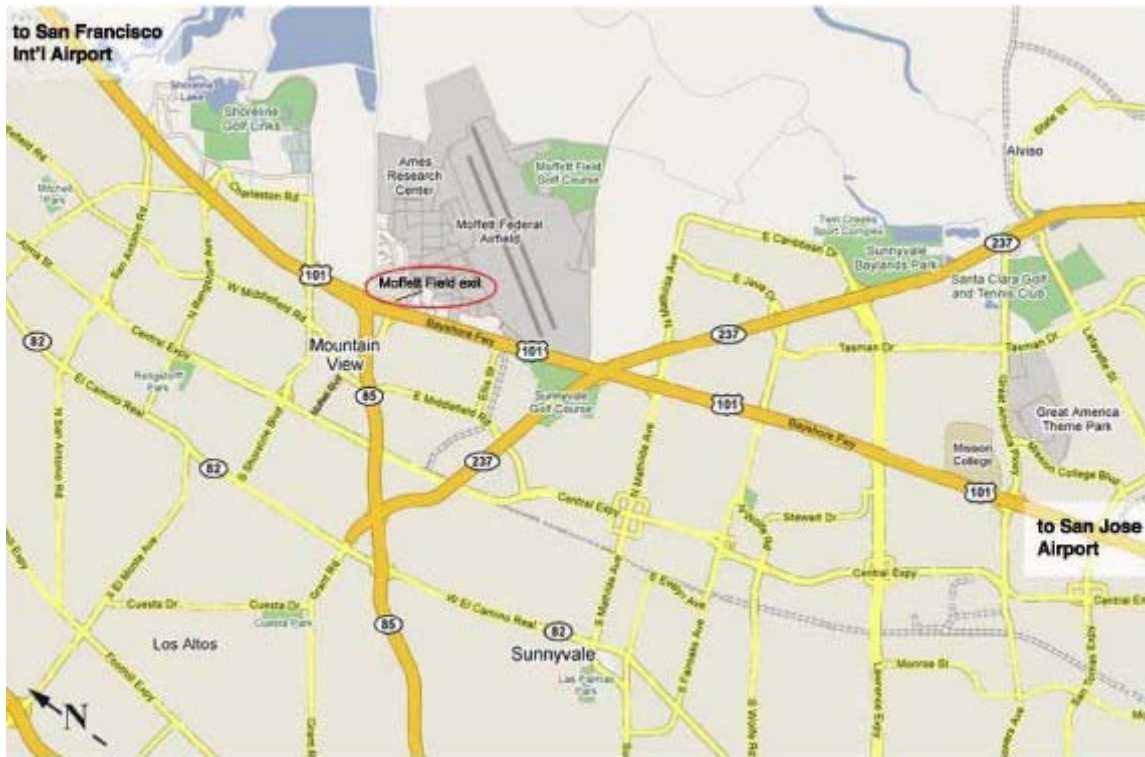

Figure 1: Moffett Field's location relative to local highways.

From San Francisco International Airport, take Highway 101 (Bayshore Freeway) South for 24 miles. Exit Highway 101 at the Moffett Field exit (exit 398A). Turn right onto Moffett Blvd and proceed to the Main Gate Entrance.

From Mineta San José International Airport, take Airport Parkway to Technology Drive, then turn right onto Skyport Drive. Turn right to merge onto CA-87 North. Drive 1.3 miles to merge onto Highway 101 (Bayshore Freeway). Drive for approximately 9.9 miles and exit at the Moffett Field exit (398). Turn right onto Moffett Blvd and proceed to the Main Gate Entrance.

## How to enter NASA Ames Research Center

Visitors will need to go to the Visitor Badging Office to obtain a Visitor Badge.

The Visitor Badging Office is located at Building 26, which is just to the right at the Main Gate. As you approach the Main Gate, you should be in the right-hand lane. Figures 2 and 3 display the layout of these points of interest.

Figure 2: Entrance into Ames Research Center from Moffett Field and Highway 101. If you need to obtain a Visitor's Badge, be in the right-hand lane as you approach the gate to turn into the Visitor's Parking Lot.

Figure 3: Artist's rendering of the entrance to Moffett Field. Please note that the entrance to the Visitor's Parking Lot is an immediate right turn.

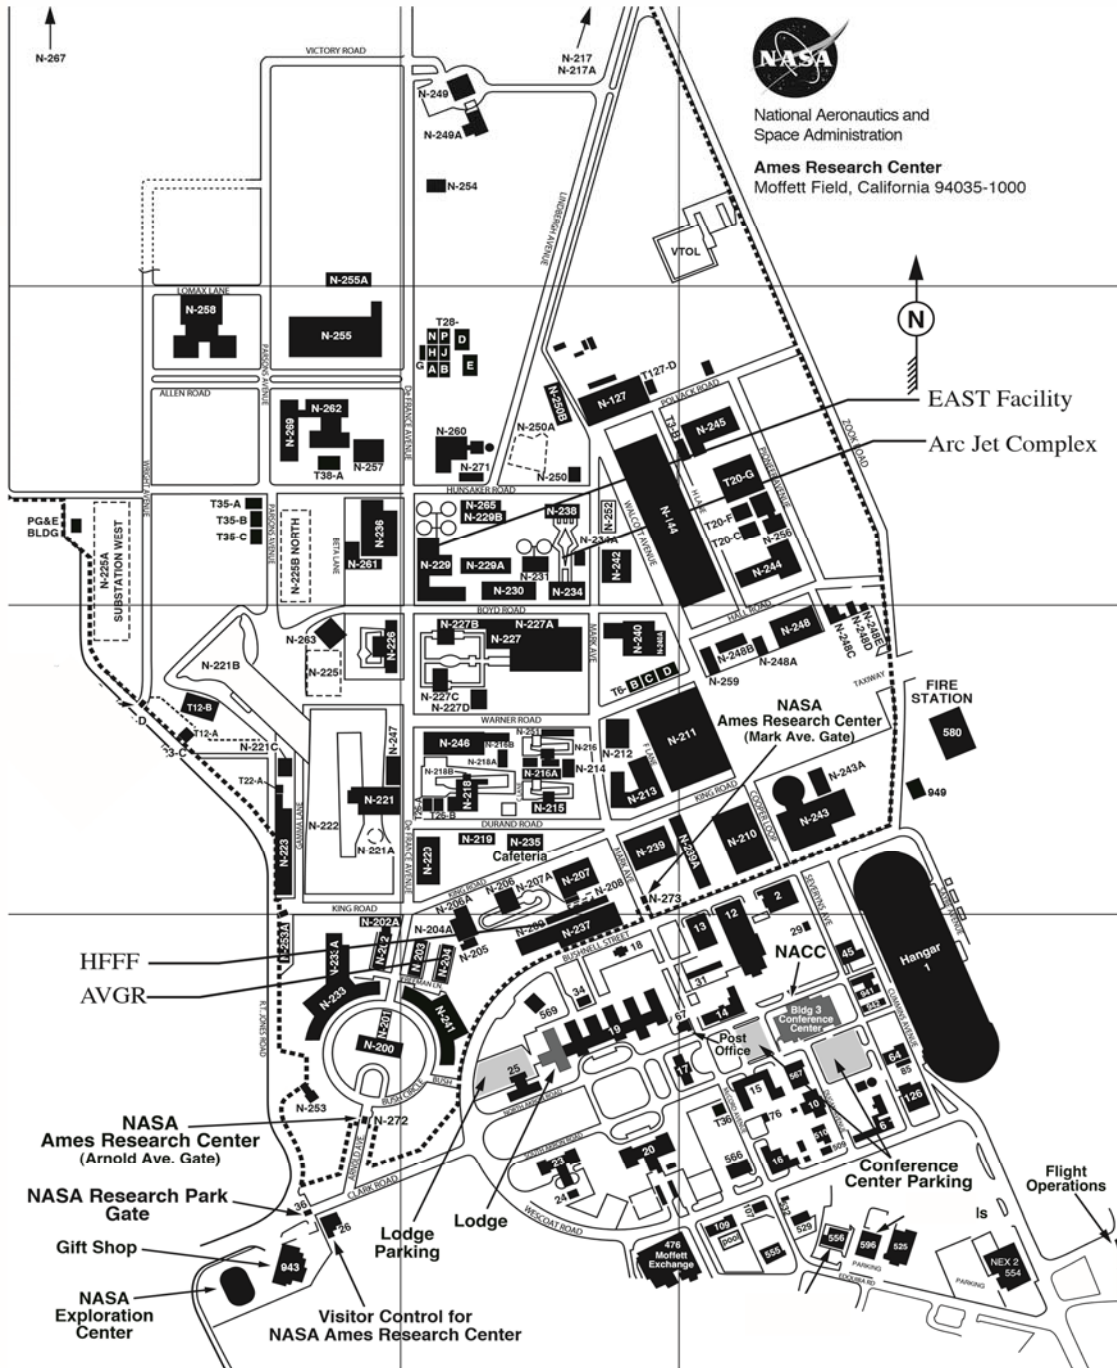

Please be sure to allow 15-20 minutes for processing in the NASA Visitor Badging Office. Visitor Badging Office hours are Monday through Friday 6:00 AM to 6:00 PM. In order to obtain a Visitor Badge, the Badging Office needs to have received the following information about you from your NASA sponsor: name, affiliation, and citizenship status as well as the date, time, building, and room number of the meeting.

You will need to provide the following:

1. Valid government-issued picture identification (e.g., driver's license).
2. International visitors will need BOTH a passport and another valid picture identification.
3. If you plan to drive a car on base, you will need a valid driver's license. International visitors must be escorted to be able to drive on base.

Once you have a visitor badge, approach the main gate and show the guard your Visitor Badge and valid identification for entry in NASA Ames Research Center.
