#### **NASA JOBS SUPPORTED**

There are 7 NASA federal employees and 230 contractors\* in the state of Hawaii.

For every NASA civil servant job located in Hawaii, an additional 56\*\* jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$24.4\*\* million worth of output is sustained throughout the state economy.

(1) Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

(\*\*) Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: https://blog.implan.com/understanding-implan-multipliers

### **NASA ASTRONAUTS**

One Hawaii supplier contributed to NASA's Artemis program. An example of the state's contributions is providing critical materials for NASA's Orion spacecraft - the only spacecraft capable of crewed deep spaceflight and high-speed re-entry from the vicinity of the Moon.
