NASA STEMGATEWAY APPLICATION CHECKLIST

Follow the steps below to complete a NASA Community College Aerospace Scholars (NCAS) application in NASA STEM Gateway.

1 Apply in STEM Gateway

☑ Choose the current NCAS opportunity in NASA STEM Gateway. Click the **Apply** button in the upper-right corner.

2 Enter GPA

☑ Enter GPA. NOTE: STEM Gateway requires you enter a GPA. NCAS does *not* have a GPA requirement and will not use the GPA you enter to determine eligibility.

3 Enter Educational History

☑ Enter the Institution Name of the 2-year college you are attending at the time of application. Complete required field and click **Next**.

4 Upload Transcripts

☑ Select **Yes** to Upload Transcript. A transcript **must** be uploaded before submitting final application.

5 Enter Essay Response

☑ Answer Essay Question prompt in 300 words or less. Click **Next** in lower right-hand corner to continue.

6 Supporting Documents

☑ NCAS does not require supporting documentation.

7 NASA STEM Question

☑ How did you hear about us? Tell us how you learned about NCAS.

8 Review Application!

☑ No edits can be made after submission. To edit or provide more information, withdraw your original application and begin a new application.

FOR MORE INFORMATION VISIT THE NCAS WEBSITE.
