NASA Community College Aerospace Scholars

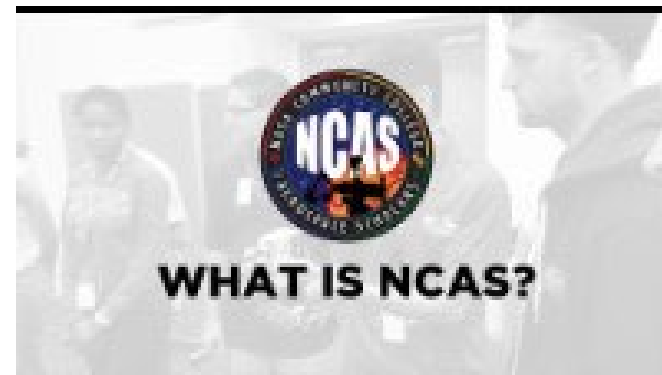

Students participating in the NCAS (NASA Community College Aerospace Scholars) activity can expect to advance their capabilities in STEM, helping to prepare them for better representation and service in STEM fields. NCAS has three missions designed to challenge and build student knowledge and skills by focusing on NASA's mission goals, collaboration, and career pathways.

Mission 1: Discover — Self-Paced Online Course

Mission 2: Explore — Educational Simulation Experience

Mission 3: Innovate — Engineering Design Challenge

To learn more about NCAS visit the link [NASA Community College Aerospace Scholars](https://www.nasa.gov/community-college-aerospace-scholars).

What is NCAS?

NCAS Experience

The background of the slide is a high-resolution, blue-tinted photograph of the moon's surface. It is densely covered with craters of various sizes, from small pits to large, prominent basins. The lighting creates strong shadows, highlighting the rugged and cratered terrain. The overall color palette is a range of blues, from deep navy to a lighter, almost white-blue at the top left.

What is NASA STEM Gateway?

Search Opportunities

The NASA STEM Gateway serves as your comprehensive platform for diving into STEM experiences. This includes the NCAS program, which is meticulously crafted to INSPIRE, ENGAGE, EDUCATE, and ultimately EMPLOY the next generation of explorers.

Create Profile

On the NASA STEM Gateway website, you can explore the NCAS opportunity along with a plethora of other offerings such as internships, challenges, research opportunities, educator professional development, and STEM experiences tailored for both pre-college and college students.

Communicate Interest

Take the first step by creating a Gateway Account, where you can easily access the NCAS experience, and begin the application process!

How do I create a Gateway Account to apply for NCAS?

NASA STEM Gateway — Creating Gateway Account Tips

[NCAS FAQ Step 1](#): Create an account in [NASA STEM Gateway](#).

- **Do not submit** your application until **all information and proper documentation** is uploaded
- **Use Google Chrome or Microsoft Edge** on your **computer** to apply
- **Do not use a mobile phone** to apply
- Be sure to **note or record your STEM Gateway username and password** in a secure location as you will need to return to your account to accept offers, apply to other opportunities, and update your profile
- **Provide an alternate email**
 - An alternate email can help us contact you if you change schools or are not monitoring your school or primary account
 - Many school accounts also utilize filters that block NASA messages
- **Add [nasa.gov](#)** to the list of approved email domains that your email client (MS Outlook, Gmail, etc.)
- **Add jsc-ncas@mail.nasa.gov to your favorite contacts list** to help ensure receiving messages from NCAS
- **Include a preferred phone number** in your profile
- **Review all application entries** before submission

How do I apply in Gateway for NCAS?

NASA STEM Gateway — Prerequisites & Opportunity Choice

The screenshot displays the NASA STEM Gateway interface for the 'Summer College STEM Test 1' opportunity. The page includes a navigation bar with 'Home', 'Explore Opportunities', 'NASA Engages', 'NASA CONNECTS', and 'Help?'. The main content area features a title bar with the opportunity name, ID (017516), and course (AMES CPC Engagement), along with 'Share', 'Print', 'Bookmark', and 'Apply' buttons. Below this, there is a section titled 'About this opportunity' with a registration end date of 6/22/2026. A large NASA logo is prominently displayed. The 'Key Details' section lists: Engagement Type (College STEM), Eligible Applicant(s) (All), Experience (Undergraduate), Activity Format (In-person), Academic Level (Sophomore), Location (Moffett Field, California), Citizenship (None), and Preferred Major (Biological Science - Biochemistry / Biophysics and Molecular Biology). The 'Additional Information' section provides the engagement contact (201-555-1234), session (Test Session 2024), and activity URL. The footer contains the NASA logo and the text 'National Aeronautics and Space Administration' along with various legal and administrative links.

Complete the following steps to submit a College/Pre-College Individual Application:
