OKLAHOMA

NASA JOBS SUPPORTED

There are 13 NASA federal employees and 319 contractors* in the state of Oklahoma.

For every NASA civil servant job located in Oklahoma, an additional 39** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$17.3** million worth of output is sustained throughout the state economy.

(*) Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply then

Five Oklahoma suppliers contributed to NASA's Artemis program.

An example of the state's contributions is manufacturing supplies for Exploration Ground Systems (EGS), based at NASA's Kennedy Space Center in Florida.
