**Below are the requirements for participation in a NASA Glenn High School Engineering Institute.**

- I am a U.S. Citizen.
- I am a High School Student and at least 16 years old.
- I am a rising Junior (Grade 11) or Senior (Grade 12).
- I have a minimum 3.2 cumulative Grade Point Average (GPA) on a 4.0 scale.
- I will provide a teacher letter of recommendation.
- I will provide certification of parent/guardian signatures and High School Counselor/Principal GPA verification.
- I am available to participate for the entire one-week session daily from 10:00am – 4:00pm.
- I have transportation to and from NASA Glenn Research Center.
- I agree to adhere to all NASA Glenn Research Center safety and security requirements.
- I agree to provide my own lunch while attending the Institute .
- I will submit responses to all essay questions.

By checking the box, I acknowledge that I agree to adhere to all the requirements stated above

This application does not guarantee participation this program. Participants will be notified of the status of their participation no later than May 30, 2025.

## Student Essays

**INSTRUCTIONS:** Please complete all three Student Essays and type your responses. A minimum of 500 characters per essay is required (1500 characters per essay maximum). It is recommended first to type your responses in a word processor (e.g., Microsoft) then copy and paste your responses into this form.

### Student Essay 1

Describe the characteristics you possess that will benefit NASA and distinguish you from other applicants.  
(500 to 1500 characters)

### Student Essay 2

Describe an activity or academic experience that may assist you in the Institute if selected to participate.  
(500 to 1500 characters)

### Student Essay 3

Describe how the Institute will help further your anticipated college/career interests.

(500 to 1500 characters)

## Certification Signatures

### Student Certification

*I certify, by my signature below, that I am a citizen of the United States of America and that all information contained in this application is accurate and correct. I further understand and agree that any misrepresentation or inaccurate information reported on my application will be cause for disqualification for consideration and from participation in the NASA Glenn High School Engineering Institute as well as other NASA programs. If selected to participate, I understand I must participate for the entire time allocated and must abide by NASA Glenn Research Center safety and security policies and procedures.*

*Parent full name printed, signed, and dated.*
